Dear Dr. Kenyon:

I refer to your communication of May 20, 1975 requesting an extension of stay in the United States until June 29, 1975 for Dr. Vladislav Shvets, a citizen of the Soviet Union.

The Office of Soviet Affairs of the Department of State agrees to the proposed extension of stay for Dr. Shvets. Under current procedures for special exchange (SPLEX) visitors, he should send or present this letter, his form I-94 (Arrival-Departure Record), and the original of his new Form DSP-66 to the local office of the Immigration and Naturalization Service (INS). He should be granted the extension of stay at that time.

Sincerely yours,

Ray Pardon
Office of Soviet Affairs
